QUARTER'S PROGRESS AT A GLANCE

■ General OPD

Since its start, PPHI Sindh has grown enormously and has broadened its scope from 6/6 essential primary health care services to 24/7 basic obstetric care services. More than 300 BHU Plus have been upgraded to 24/7 maternity centres. PPHI Sindh achieved this without any extra resources but with constant support from the Government of Sindh. The outcome of PPHI Sindh's efforts can be seen in the progress the health indicators are making in the province.

NEWS AND EVENTS

Cesarean Section started at Mirwah

- C-Section services at MCHC Mirwah were made functional after 18 months due to non-availability of gynecologist
- The establishment of OT was inaugurated in 2015 by Chairman PPHI Sindh. It was completed and started in 2017 but C-sections services were provided to only 10 to 12 patients before it was shut.
- On 17th March 2021, the services resumed and 10 C-sections were conducted in March and 12 have been done in April so far. Three C-Sections happened on 21 April 2021.

NEWS AND EVENTS

International Women's Day Celebration

- PPHI Sindh celebrated International Women's Day to appreciate and acknowledge its female team members, and to showcase their success stories.
- The main objective of the event was to recognize women's role in making PPHI Sindh a successful model.
- Dr. Nighat Shah, Member of PPHI Sindh Board of Directors and a renowned gynaecologist was the Chief Guest at the event.
- The districts were requested to submit three stories of inspiring women from every district, one was selected by a 5 member panel at head office.
- They were invited to the event to share their stories and their stories were also showcased at the event and are now displayed at their respective district and/or regional offices.
- An appreciation giveaway and a certificate was also given to each participant.
